

# ZOE/ZERO SNOOK

## Profile

I am a multimedia creative and performer. I am a photographer, actor, model, musician, published author, singer, and screenwriter. I have experience in marketing as a marketing assistant for Corecubed. On top of this, I have worked in both retail and the service sector for over six years. I also have experience working with Seniors, children, and everyone in between. I am a well rounded and hardworking individual always looking for a new venture. Looking to work in an environment that creates a positive impact and allows me to use my creativity and excellent social skills.
